

## **Theukexperience.com – Affiliates and Partner Opportunities**

**If you operate a UK Tourism website and would like to provide your visitors with the ability to order UK holiday brochures, [theUKexperience.com](http://theUKexperience.com) has a number of exiting partnership opportunities available.**

### **Option 1 – Inbound and Outbound Links**

Inbound and outbound links are crucial to your search engine rankings. Links from similar or complementary websites can substantially boost your search engine visibility, add value to your web content and increase traffic to your site. [theUKexperience.com](http://theUKexperience.com) offers the opportunity for link exchange schemes.

If your site visitors would benefit from the opportunity of ordering UK holiday brochures and your web content is either similar to ours or enhances our content, contact us to discuss this option further.

### **Option 2 – Affiliates Package**

Our affiliate systems are simple to set up and will earn you commission for every brochure ordered.

We will provide you with promotional text, links specific to your organisation which we can track for brochure requests, and brochure images to place on your site. For every visitor that clicks through to our web site and orders a brochure we will pay you commission, you may invoice us monthly, quarterly or yearly for commission earned.

With over 80% of the online population utilising the internet as a means to source and book their holiday, our affiliate package could boost your revenue without any investment of capital.
